MILEY STEWART AKA  
HANNAH MONTANA

MILEY CYRUS

Miley's dad, Robby Ray, is kinda cool. Her mom died so he is a single parent and also Hannah's career manager. He's proud of his kids and is always there to give them advice – and sometimes sing them a country song too. Aww!

Nicknamed 'Smokin' Oken', Oliver is good pals with Miley and Lilly – and has to suffer much teasing from the pair. He is very protective of his one chest hair!

Miley's older brother, Jackson, is such a goofball! He is silly, crazy and loves a good laugh. He doesn't have much luck with the ladies, but maybe that's because he tries too hard.

Miley's best bud, Lilly, is a down-to-earth California sk8er. Her alter ego when she goes out with Hannah is Lola Luftnagle and she always changes the color of her wig. Cool!

A rockin' pop star, Hannah has tons of fans. By day, she's Miley Stewart, but once she puts on her wig, there's no stopping this cool and talented girl from singing her heart out on stage.

# chat

**Moises Arias gets lots of laughs on "Hannah Montana" – in fact, he has a tendency to steal every scene he's in! Rico is a kid who skipped a few grades in school, so he's in Miley's high school class. But because he's younger than everyone else and a bit obnoxious, he constantly tries to act cooler than he is. This really annoys Miley. (And it doesn't help that he has a big crush on her!) Rico's dad owns the Surf Shack, a snack place on the beach where Jackson works. Rico tries to be the boss over Jackson and it's no big surprise that Jackson is irritated to no end!**

## Meet Moises Arias!

**But even though Miley and Jackson think Rico can be a pain, fans of "Hannah Montana" are glad he's on the show because he makes us laugh – big-time. We sat down to talk to Moises about what it was like to work on a hit show and what he'd like to do in the future.**

### CHAT WITH MOISES

#### **How is your character like you? Not like you?**

My character, Rico, is very different than me because he is a mischievous boy who loves to torture everybody. In real life, I would say I'm a nice kid.

#### **How has your life changed since you've been on Disney Channel?**

It has changed a lot because when I walk down the street, people recognize me. It is a lot of fun knowing that people are happy watching me do something I love to do.

#### **Describe your favorite fan moment.**

When the first fan ever asked me for an autograph.

#### **Describe your most outrageous fan moment.**

When some girls waited outside my hotel room an hour and a half to get an autograph.

#### **What is your most embarrassing moment?**

was amazing. I was five and my brother and I could not believe it.

#### **What chores do your parents make you do?**

Take the dogs out for a walk every day.

#### **Do you have any collections?**

I collect 80's rock band toys, like KISS and AC/DC figures.

#### **What makes you laugh?**

My brother. He is the funniest person in the world.

#### **What makes you cry?**

Animals being mistreated.

#### **What is your favorite color?**

Pink.

#### **Who is your favorite actor?**

Will Smith.

#### **Do you have a nickname?**

Poche. My mom calls me that. I don't know why.

#### **What is your dream role?**

A role in that I can grow as an actor and that would be a challenge. Something that is completely different than my real life. Those are the roles I like to act in.

**Thanks, Moises! It was fun chatting with you!**

MOISES ARIAS

Moises has three pets: a bird named Nena and Dulce, named Sara and two dogs named Neva and his brother (nice!). If he could bring three things to a desert island, they would be food and water (smart!). The first concert he went to was Ricky Martin. He describes his fashion style as "skater". The first CD he bought was by the Backstreet Boys.

STEP 2

Apply a removable adhesive (the kind used to hang posters without damaging walls) to the tube along the paper seam. Firmly press the tube against the wall so that the glue sticks. (Ask an adult for help.)

STEP 1

Remove the decorative paper from the magazine (see the craft page). Glue it around an empty gift wrap tube.

STEP 3

Attach your photos to the tube with tacks or straight pins. Ask an adult for help.

## Steps

1. Remove the stencil from the magazine.
2. Choose your paint color (we used lavender).
3. Use paper tape to attach the stencil to the wall.
4. Dab the sponge in the paint. Don't use too much paint.
5. Tap the sponge on the stencil. Don't worry if the paint is not totally even – that can be a nice effect!
6. Carefully remove the stencil so that paint doesn't drip on the floor.
7. Reposition the stencil. (Use the example on the left to see how to move the stencil so that the design will continue along the wall).
8. Use the paper tape to attach the stencil to the wall and sponge on your color again.
9. Continue along the wall or around the room until you have finished your stencil project.

**Remember, you can also use the stencil to paint an extra flower here and there for a more casual look.**

Please ask for a parent's permission before stenciling on your wall.

Do you ever wonder what your dreams mean?

Check out the secret messages  
hidden in these dreams!

1

I dreamed that I was on stage in front of thousands of fans – but I was wearing a terrible outfit!

## POSSIBLE MEANING

Maybe you're bored with all your clothes and need to buy a new sweater or scarf. On the other hand, this dream may be telling you to get up a little earlier so you have time to put together the perfect outfit!

2

I dreamed that my school locker exploded and everyone saw that I had brought my teddy bear to school.

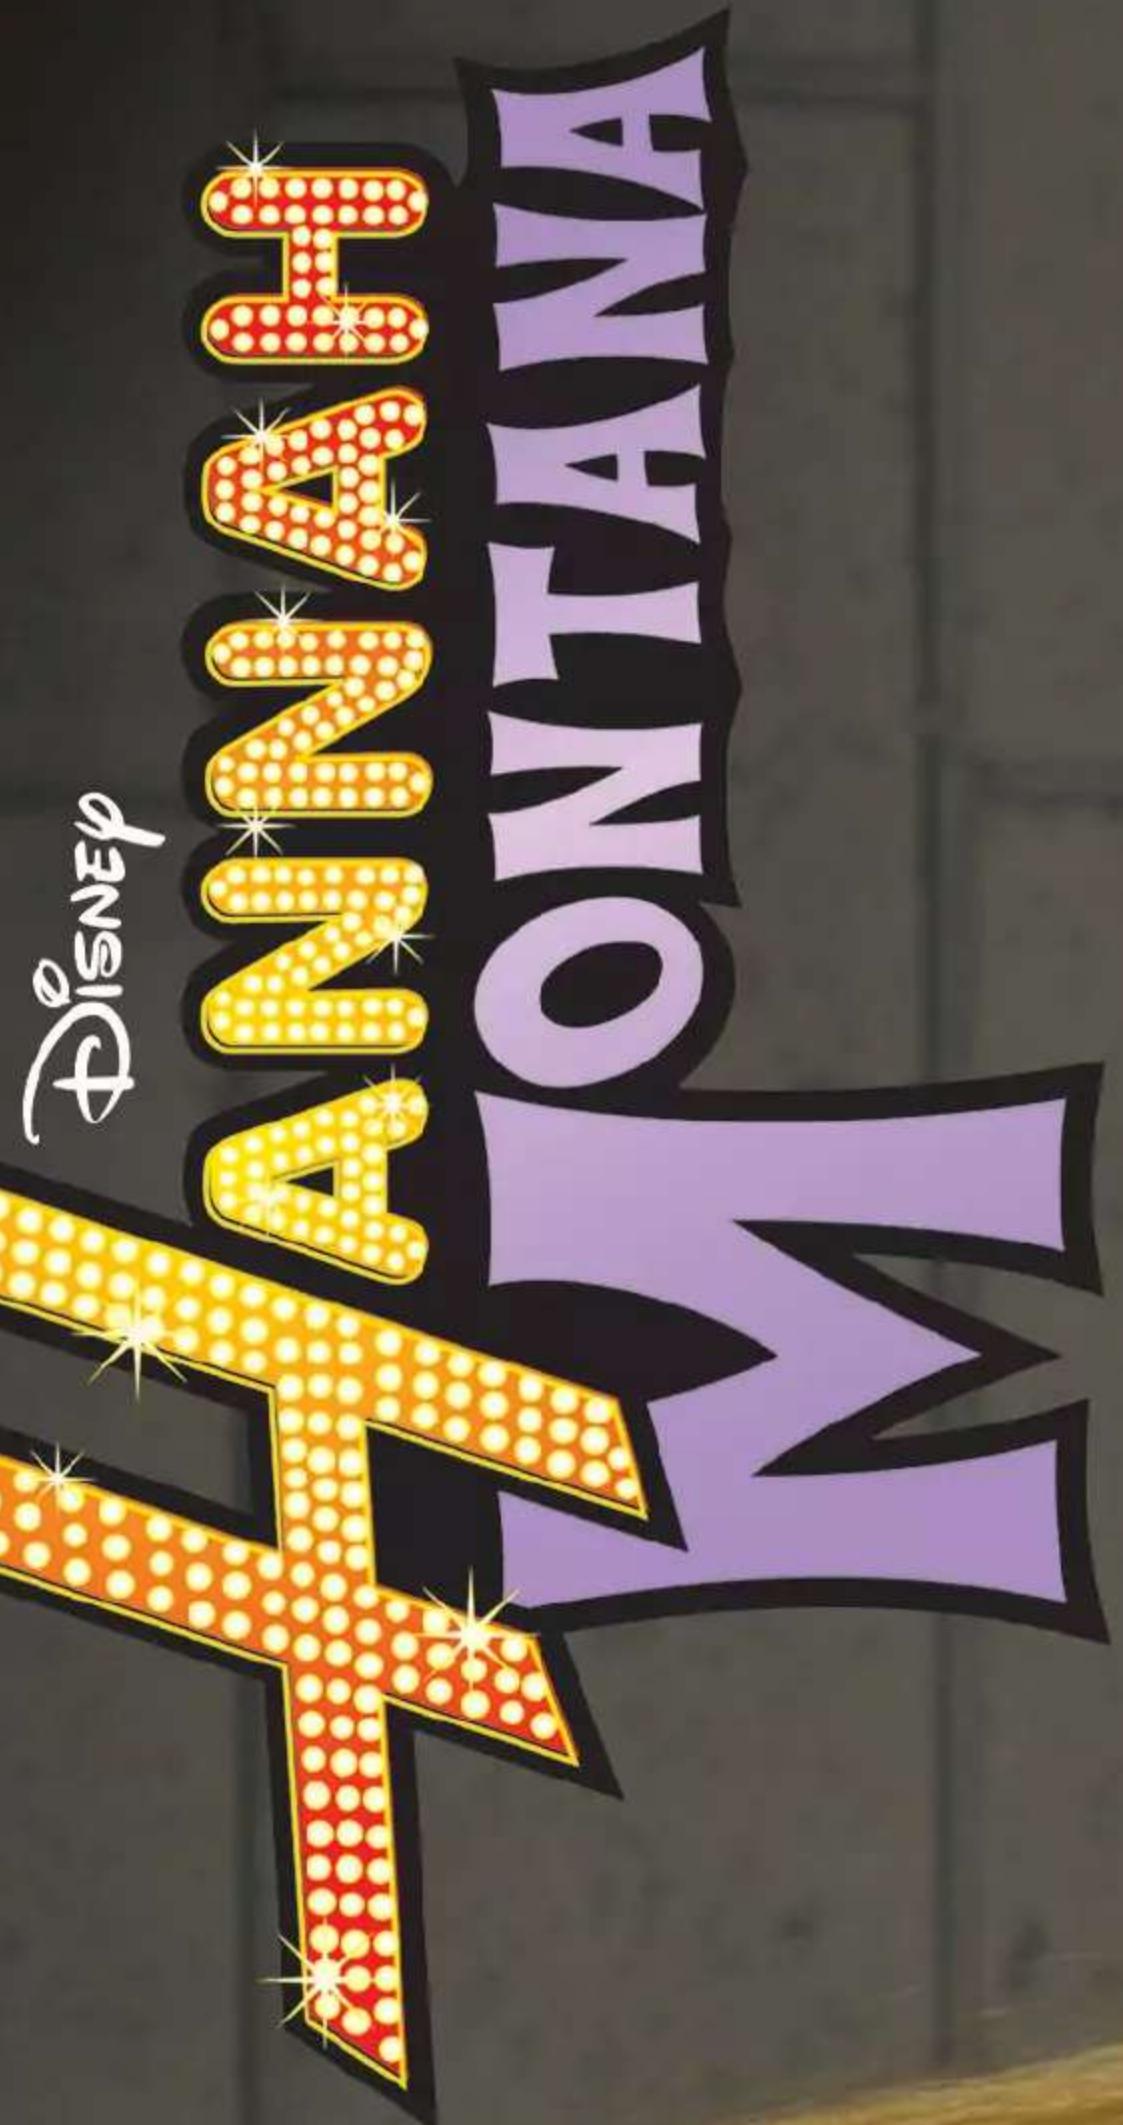

3

I dreamed that I had a major biology mid-term, but I had forgotten to study for it.

## POSSIBLE MEANING

You're facing a big change in your life and you don't feel ready for it. But life never stands still, so learn to love what's new! (Or, the dream could really mean that you haven't studied for a big test, in which case you should hit the books!)

# DREAMS

Six encores and I still wasn't satisfied!  
I could've sung all night long!

Life's  
what you  
make it...

But this morning...  
Life's  
what you  
make it...

...I lost my voice!

Daddy, what if  
something happens  
and I can't be  
Hannah Montana  
anymore?

Baby, that's not  
gonna happen.  
Everything's  
gonna be fine...

And it gets even worse. If I want to sing  
again... I need to have an operation!

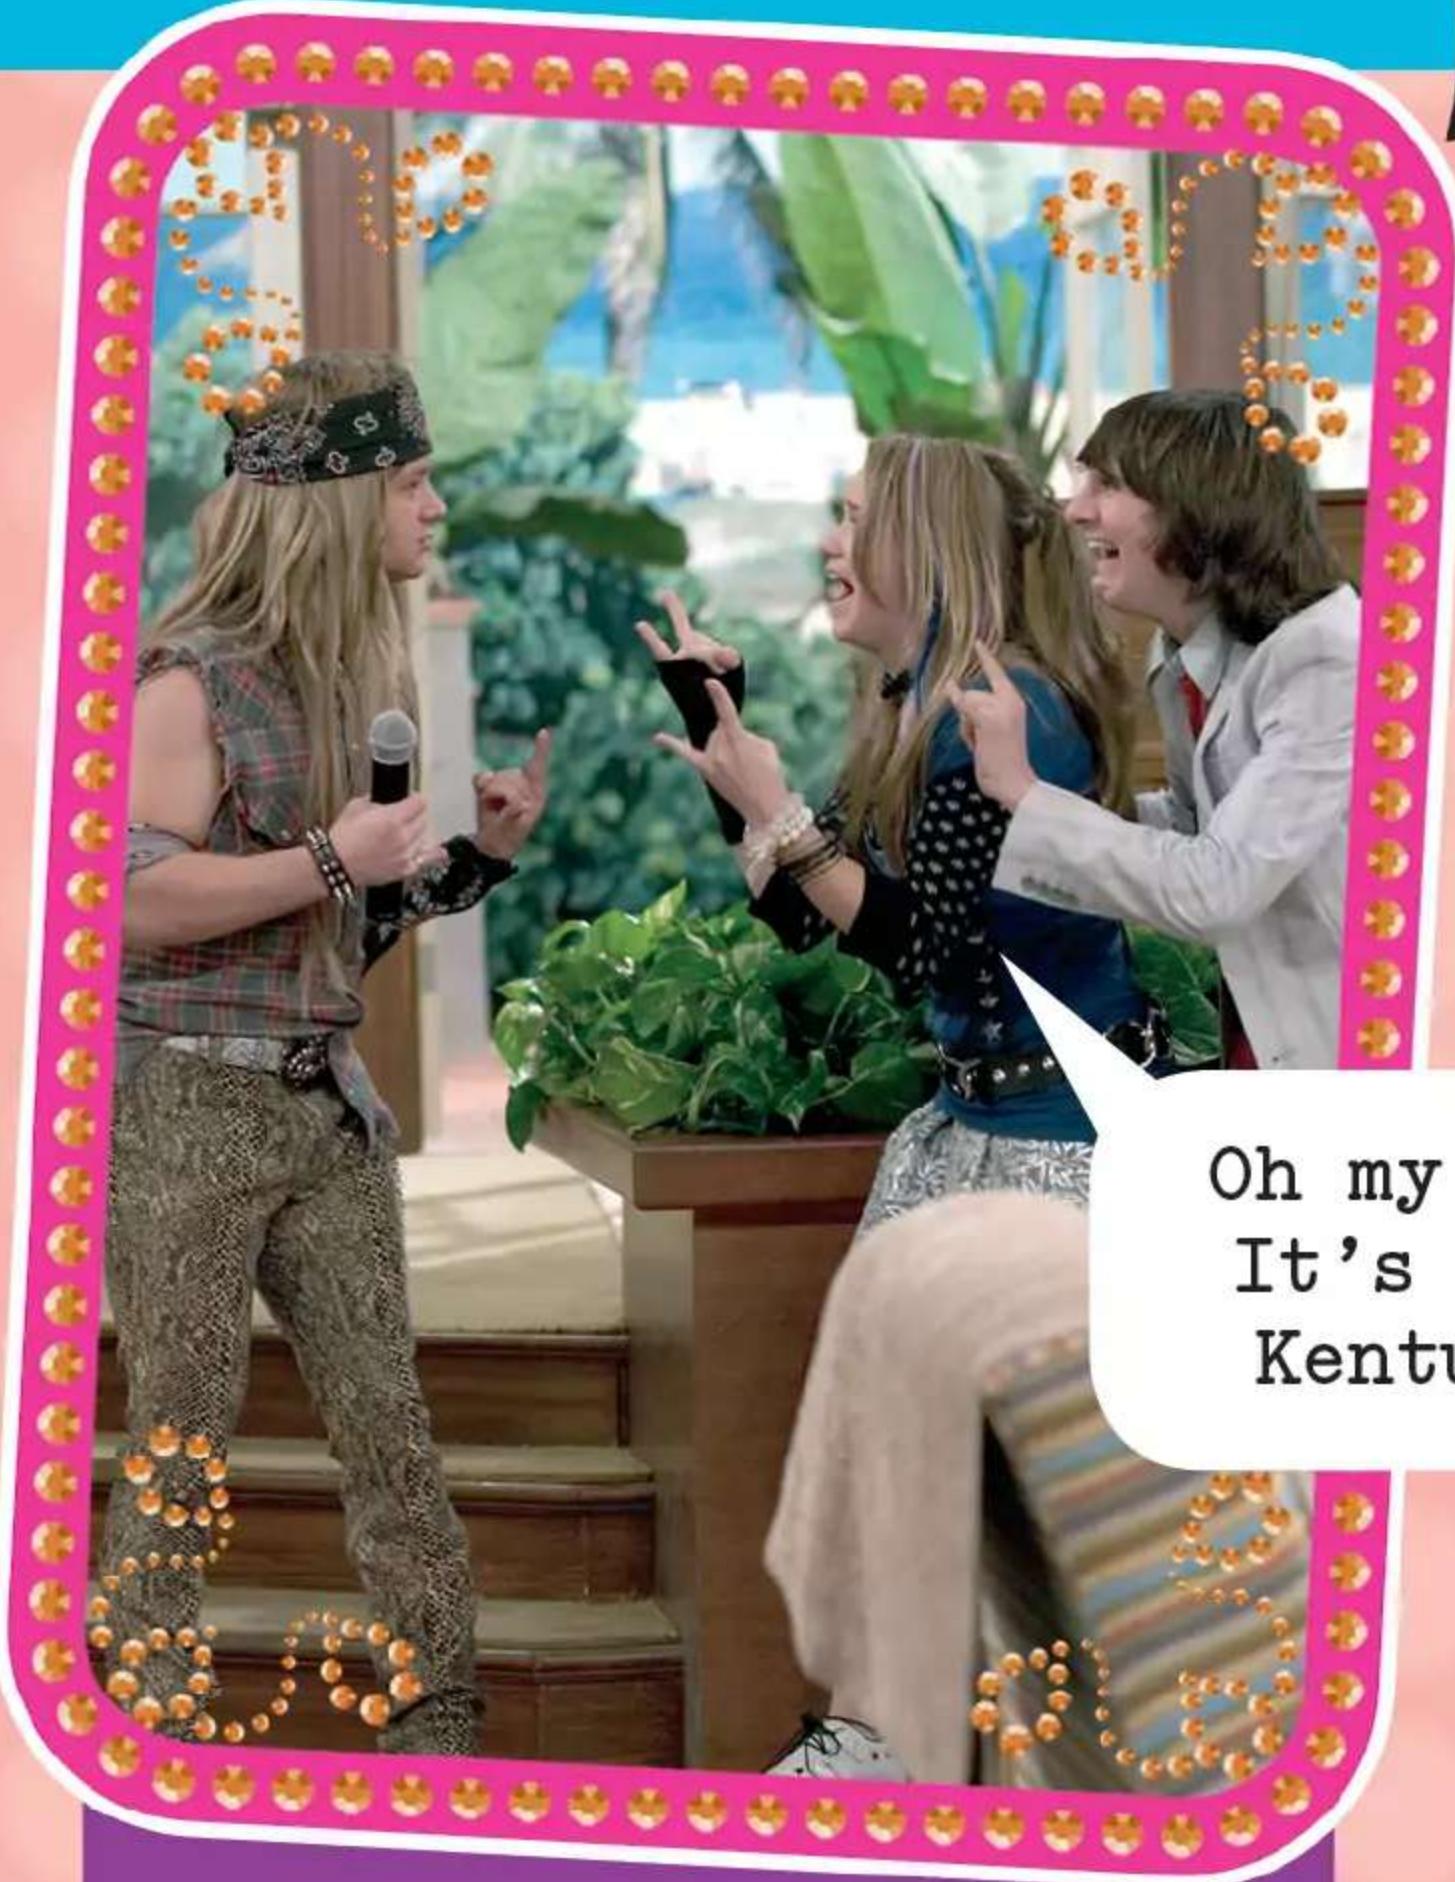

But I'm scared...

So scared that I have this crazy nightmare!  
I lose my voice, I turn into Cinderella and...

I'm Bucky Kentucky, now!

...Jackson's the new star of the house!

Oh my gosh!  
It's Bucky Kentucky!

Oh no! Now Lilly and Oliver are acting like I'm not even here!

Mom, if I can't sing, then I'm just... Miley.

I think "just Miley" is pretty darn terrific.  
You're a wonderful girl and that's why your friends love you so much.

Luckily, Mom shows up! She always knows what to say... in my dreams!

Miley, you were my best friend way before I knew you were Hannah Montana.

The point is, whether you're Hannah Montana or just Miley, you're still gonna be the annoying little sister... that I love.

No matter what happens to your voice, you've still got the most important thing a person can have... people who care about you.

I'm not scared about tomorrow's operation any more... Thanks, Mom!

**THE END!**

## OLIVER

## PROFILE

Oliver Oken is Miley's other best friend (other than Lilly, that is).

He tries to act macho and worldly – in fact, he once gave himself the nickname Smokin' Oken! – but he often ends up looking, well... a little goofy. Still, he's always at Miley's side, ready to help her out when she's in trouble – even if he usually just makes the situation worse....

## JAKE

## PROFILE

Jake Ryan is the super-cute, slightly conceited star of the TV series "Zombie High." Although he used to let fame go to his head, he started acting more down-to-earth once he met Miley.

**Why do you like Jake?**

## RICO

# of Hannah Montana

Which guy from  
Hannah Montana  
do you like best?

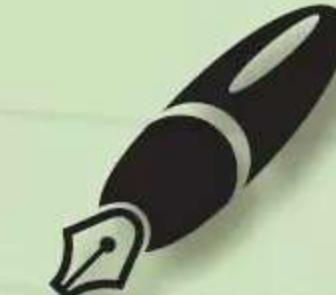

## JACKSON

### PROFILE

Jackson is Miley's big brother. Although he sometimes feels overshadowed by Hannah Montana and her celebrity, nothing keeps Jackson down for long. After all, there's always another prank to be played on dad, a new scheme to make some extra cash, or a brilliant idea for achieving fame (that's bound to backfire... soon.)

**Why do you like  
Jackson?**

### PROFILE

Rico skipped a few grades to land in Miley's class, which makes him younger than anyone else. Still, he's got tons of self-confidence (not to mention a secret crush on Miley). Rico may be a little annoying, but you've got to admire his swagger!

**Share your dreams with your BFF's**

**What's your dream? To become a singing star, go to college, run a big race, write a book? You can do it by following these tips!**

1

Figure out what you want. Some people aren't even sure what their dream is! If that describes you, try writing in a journal to discover your secret dream. Jot down what you daydream about, what you like to do in your free time, and what you can't help talking about. Pretty soon, you'll have some good clues about what your dream is.

2

Research your dream in the library or on the Internet. There's tons of information there about everything, from learning to scuba dive to becoming an astronaut. Learn everything you can about how to achieve your dream.

3

Write down all the steps you need to take to reach your goal. For example, if you want to be a pop star, you might jot down "join the school choir," "do karaoke with friends," "take singing lessons," and so on.

**Write about your dreams in your journal**
